

Dear Partner:

We are excited to announce and invite you to partner with us at the 2019 Behold the Star Production hosted by Creative Impressions. Since 1996, Creative Impressions has created a safe, nurturing environment to develop the artistry of Augusta youth.

Over the past two decades, we have secured numerous college scholarships, and engaged our talented youth in artistic, educational, cultural, and civic experiences that most would not have had without their membership in this organization.

Unlike any other artistic encounter offered in the city, the 2019 Behold the Star Production will take place Saturday, December 21st in Augusta, GA at the Maxwell Performing Arts Theatre on the campus of Augusta University. In its 17th year of production, Behold the Star is a high-quality artistic experience showcasing some of our area's most gifted youth. The students diligently work throughout the season to present a prolific and holistic program. We are planning for an attendance of over 700 people between our youth and group-centered matinee and our family concentrated evening show.

The funds raised during Behold the Star will 1. Support the implementation and expansion of the high-quality programming provided by Creative Impressions, and 2. Provide tuition-assistance for underserved youth, ameliorating the financial barriers that might otherwise prevent membership.

We need your support! We would be honored to have you partner with us through sponsorship. Your contribution will help these children pursue their dreams in a safe and artistic environment and develop skills that will propel them forward. The enclosed sponsorship levels will provide you with partnership options. Thanks in advance for your consideration. We look forward to hearing from you!
